TWKC100RGB-T

Twinkly Candies Candle-shaped Light String with 100 RGB LEDs. 6 Meters / 20 Feet. Clear Wire. App-Controlled. USB-C-Powered. Indoor Smart Home Lighting Decoration.

DESCRIPTION

Twinkly Candies are smart decorative lights that bring enchantment to any living space in your home with captivating shapes, extraordinary brightness, customizable multicolor effects that are mappable from your phone and a lightweight, portable design. Whether you want to create a cozy glow in your child's room, craft mesmerizing streaming setups, elevate holiday celebrations, or add a personalized touch to your interior. Set the scene with Candies.

FEATURES

Premium Lightweight Design with Playful Shapes: Pearl, Heart, Star, and Candle shapes each add a touch of whimsy to your home décor, while the lightweight, USB-C powered design is ultra-portable.

Unique Effects: Patented mapping technology uses your smartphone camera to create custom effects, join multiple Twinkly devices for a larger digital canvas and sync with Music for an unrivaled audio-visual symphony.

Exceptional Brightness and Color Vibrancy: The Twinkly app offers an endless choice of palette and animation in over 16 million colors to create an ambience that matches your personal style.

Create Magic in Any Setting: Twinkly Candies are the perfect addition to play up any occasion or setting, be it for the kids' room, festive celebrations, gaming adventures, or streaming setups.

Enjoy Hands-free Voice Control: Connect with Amazon Alexa and Google Home, and for gamers, integrate with Razer Chroma RGB and OMEN Light Studio for stunning light effects that react to gameplay.

HIGHLIGHTS

· Addressable RGB LEDs with unparalleled brightness
· Portable design with USB-C power cable
· Patented mapping technology
· Ready-to-use or custom effects and animations
· Join multiple devices for a larger digital canvas
· Audio-reactive light effects with Twinkly Music
· Twinkly App free for iOS and Android devices
· Works with Amazon Alexa and Google Home
· IP20-certified for indoor use only

LONG DESCRIPTION

Twinkly Candies are smart decorative lights that bring enchantment to any living space in your home with captivating shapes, extraordinary brightness, customizable multicolor effects that are mappable from your phone and a lightweight, portable design. Whether you want to create a cozy glow in your child's room, craft mesmerizing streaming setups, elevate holiday celebrations, or add a personalized touch to your interior. Set the scene with Candies.

Instantly configurable via Bluetooth® and Wi-Fi, use the Twinkly App to map Candies with your smartphone camera, group multiple devices for a larger, synchronized digital canvas and create the ultimate audio-visual experience with Twinkly Music, a USB device with a built-in microphone that syncs lights to sounds and music.

Twinkly also integrates with Amazon Alexa and Google Home, and if you're a gamer, with Razer Chroma™ RGB and OMEN Light Studio. Candies are IP20-certified for indoor use only.
